Re: dba Interstate Brick Company

Dear Utah Department of Natural Resources:

Pursuant to numerous communications and discussions, I wanted to provide a letter ( along with submittals made to the Division of Corporations) to confirm and substantiate that the dba Interstate Brick Company, and pursuant to the attached documents, has been assigned to Pabco Building Products LLC. Although these materials were submitted a week or two ago, my understanding is that it may take the state a few weeks to formally "post" the assignment but as mentioned, the same has been tendered and received by the Division of Corporations.

Prior to this assignment, the dba was held by Pacific Coast Building Products, Inc., the holding company or owner of Pabco Building Products, LLC. Having filed the dba for all entities, I am aware of these circumstances and also had all prerequisite authority to facilitate the latest transfers of the dba.

Subject only to the Division of Corporations posting the same on their web site, Pabco Building Products LLC., owns and controls the dba Interstate Brick Company.

Should anyone have any questions, or for some reason further information is needed please let me know.

Sincerely,

NYGAARD, COKE & VINCENT

  
Randy B. Coke

Re: Interstate Brick

Dear Department:

This office has represented Pacific Coast Building Products, Inc., and Interstate Brick for many, many years, and I have served as an attorney in fact for them during that time. As your records reflect, I am also in fact listed as process agent for the dba Interstate Brick which has been held by Pacific Coast Building Products, Inc., since August 14, 1978. I am authorized to sign for and on behalf of Pacific Coast Building Products, Inc., and Pabco Building Products, LLC., for the purposes of transferring this dba.

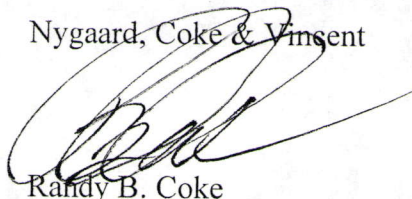

Pacific Coast Building Products, Inc., reorganized some time ago, and in fact their division which was formerly Pacific Coast Building Products, Inc., dba Interstate Brick, is now known as Pacific Coast Building Products, LLC. dba Interstate Brick. Both companies are desirous of formally transferring through the Department, the dba from Pacific Coast Building Products, Inc., to Pabco Building Products, LLC., as to make everything as accurate and up to date as soon as possible. The address of the new applicant is, 37849 Cherry St., Newark, California 94560.

Pursuant to the instructions provided by the Department, enclosed is the completed new application for dba Interstate Brick to be owned after this transfer by Pabco Building Products LLC.,

If for some reason something else or other application or form is needed please let me know as soon as possible in that I would like to effectuate the transfer of the dba immediately. In addition, and as attempted in prior years, the companies would like to drop the parenthesis around Interstate Brick and just have the name Interstate Brick a dba of Pabco Building Products, LLC.

Sincerely,

Nygaard, Coke & Vincent

Randy B. Coke
